

SB 271 - ACTION IMMINENT ON SENATE FLOOR - CALL YOUR SENATOR NOW!

Senate Bill 271, introduced by Sen. Knollenberg, is NOW on the Senate Floor awaiting action, with a vote expected as early as TODAY!

This legislation would repeal the current post-Labor Day school start law and replace it with a requirement that schools not operate on Mondays and Fridays in August without a waiver.

Please call your State Senator **TODAY!** Ask him or her to oppose Senate Bill 271. It is important to help your State Senator understand the importance of the August tourism season to your business.

The fact remains that the two biggest revenue-generating months for Michigan tourism continue to be July and all of August.
